#### THE NOTED HORSE SMILING TOM,

STANDS in high perfection in moving mares this season in Charles county, at the subscriber's plantation on Patowmack, near Cedar Point, at twenty shillings the leap, a guinea the season, or two guineas insurance if the money be paid within four weeks after the first day the mare is put to the horse; if it be not paid in that time, it will be a guinea and a half the season, and three guineas insurance for the convenience of those near me who send mares, I will take corn or wheat delivered at my house or landing at the market prices, from such as have it not in their power to pay money. Smiling Tom is 15 hands and almost a half high, a fine chestnut, beautifully marked, remarkable for fleetness and getting fine colts; and of such a form, that seeing the horse is his best recommendation. His pedigree and performances are inferior to none in America, and may be seen by applying to the subscriber.

It may not be amiss to inform the public, that after this season Smiling Tom will not cover at less than one guinea the season, three guineas the season and six insurance, except such mares as insure this season and prove not with foal, such may be sent again every season until they prove with foal, as no money will be returned. I have as good pasturage for mares as any in America at 6d per week, and all imaginable care shall be taken of them, but will not be answerable for any that may get away, and as no road or path goes even through my pasture, which is almost surrounded with water, there is little or no danger of it.
